Blue

Welcome to Blue Blue, a charming remarkable destination and one of the few resorts in Sokhna to boast a wide sandy beach. Located near the wind turbines area of Ain Al Sokhna, the wind blows a cool breeze throughout the year making it a perfect getaway for summer and winter holidays and a perfect choice for water sports.

FOLLOW THE WINDMILLs

BlueBlue is strategically situated at end of the Sokhna Mountain range, where picturesque windmills spin non-stop all year round, providing a constant low of temperature-moderating cooling air.

ABOUT BLUE BLUE

Extending over 120,000 m^2, with 30,000 m beach area, and inspired by the different blue shades of sky and sea, BlueBlue resort is specially designed to give you unforgettable experience with every visit. For your ultimate pleasure and relaxation, water is surrounding you wherever you go outdoor.

Even better, you can freeze time and save your special moments by taking photos while walking on the seaside walkway or fishing in the middle of the gorgeous water of the red sea.

Entertainment is not over yet! You can also enjoy other facilities like our mall, party zones, gym, SPA, jacuzzi, sauna, aqua park, kids' club.

IDEALLY LOCATED

LOCATION OF BLUE BLUE RESORT

Blue Blue is the name of the fabulous resort close to Ain Sokhna on the Red Sea with its own beautiful sandy beach. It is located in the area of windmills and renewable energy to provide fresh and natural air all year long and to be the best place for all vacations.

Blue Blue is located just 85-90 minutes drive from Cairo along the Sokhna Road and a 45-50 minutes from the New Administrative Capital. The project's entrance is found 20 km at the end of the Sokhna mountain range, a distance of 3 minutes from the third exit of the galala new road which will significantly shorten the distance to Blue Blue and make it a highly enjoyable drive.

• 170 Km from Cairo	(85/90min).
• 90 Km from New Capital	(45/50min).
• 55 Km from Gate of El Sokhna	(30/35min).
• 130 Km from New Cairo	(65/70min).
• 100 Km from Suez city	(55/65min).

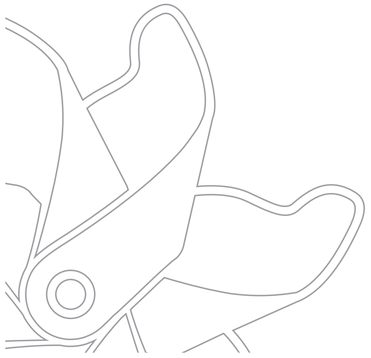

EUROPEAN
DESIGN

It’s more like a European south coast’s design, colorful landscape and the concept of happiness represented by the design of our unit’s facades . using high quality lasing materials, natural stones and special wood that will maintain the look and feel of our designs for many years to come, based on world class standards.

30,000 M
SANDY BEACH

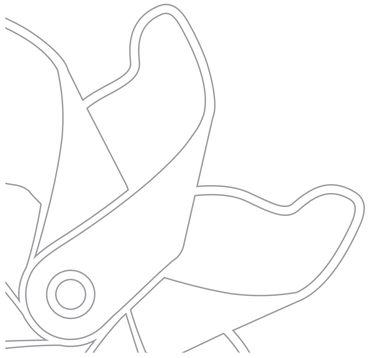

Take off your shoes, restore your childhood fun time and enjoy a walk on our fine soft sandy beach. To ensure your maximum comfort, our beach is clear from rocks or anything that would spoil your mood. Let the breeze get through your body and soul, feel the crisp sand right under your feet and fill your heart with precious moments that will never be forgotten.

360 M LONG **MARINA**

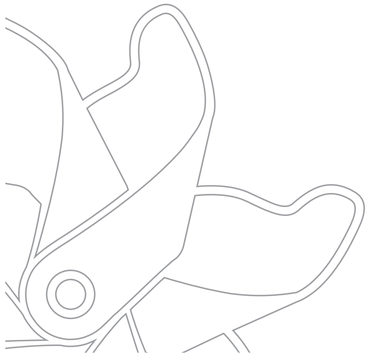

Overlooking one of the most beautiful marinas in El-Sokhna, a walk along Blue Blue's 360 M long marina will be your escape from life. Enjoy the stunning vista of the red sea, relax and breathe in the fresh air of El-Sokhna. Blue sky, crystal water and the amazing view of Blue Blue's Marina are all you need for all your troubles to fade away.

BUILT IN **SANDY LOUNGE**

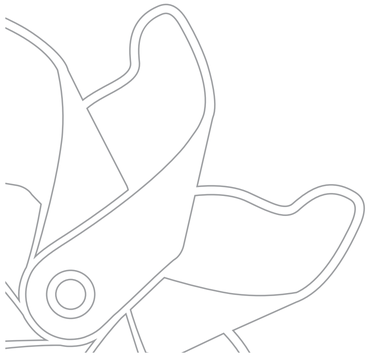

If simplicity and relaxation are what you are looking for, then our built in sandy lounge is the place. Listen to nature's music when waves hug the shore and smell pure energetic sea breeze where worries and exhaustion are drifted far away.

PRIVATE
CABANAS

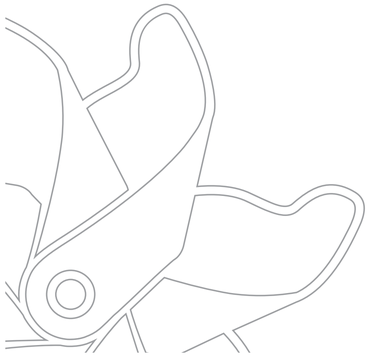

Treat your eyes to nature´s gifts, enjoy the sun for a bit, have lunch with the family, or explore through some of our fun activities close to the water.

BEACH
SCREEN

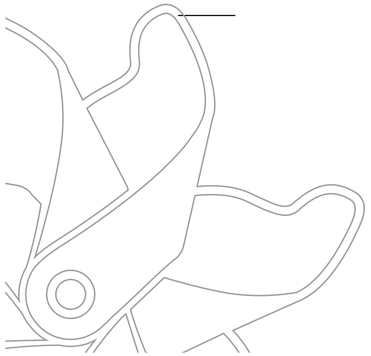

Your roof is the starry sky, your seat is the soft sand and your background is the sea with its crashing waves. Live the Maldives dream and enjoy a romantic night watching a movie with your dear ones on our beach.
