THE ālchemy OF MORE...

THE STARTING POINT IS NOT DESIGN,
THE STARTING POINT IS SUSTAINABILITY
— STELLA McCARTNEY —

CEO Message

Egypt nowadays is evolving tremendously as it became a new investment hub for a lot of industries within the region. It's obvious lately that real estate sector has been flourishing in Egypt creating a room for new comers into the market to show their entrepreneurships' skills & edge which would reflect in a positive way on the Egyptian economy and enhance the future for generations to come. Seeking new opportunities; Alchemy Developments continues to support real estate industry flourishment through filling the gaps with innovation, diversity & integrity.

— MOMEN HASSAAN —

Vision

Transcending our customers’ expectation to create a benchmark for integrated living communities in Egypt through delivering distinctive developments, innovative products & prosperous communities where people can freely enjoy their daily moments.

Mission
