Riverside

First Lazy River in the North Coast:

The first lazy river in the North Coast is a wonderful destination for outdoor fun and relaxation. You can enjoy the adventure in its clear waters, surrounded by beautiful scenery.The riverbanks are perfect for picnics, offering a peaceful spot to enjoy a meal with friends or family. It's an ideal place to unwind and enjoy nature, providing a refreshing experience.

WHERE SUMMER FLOWS

Creating Elevated Urban Spaces for Beauty & Entertainment

Set at 30 meters apart, create a sense of openness and spaciousness in urban planning. This generous spacing allows for natural light and ventilation, enhancing the living conditions within the buildings. It also provides room for landscaping, recreational areas, and pathways, fostering a pleasant and aesthetically pleasing environment. The 30-meter gap helps reduce noise pollution and offers privacy for residents, contributing to a more peaceful and harmonious community. Such thoughtful design promotes a healthier and more enjoyable living experience, blending functionality with comfort and beauty. The landscape area, covering 33,000 square meters, is a large and beautiful green space in the city. It has well-kept gardens, green lawns, and many trees and plants, making it a lovely and inviting place. The water feature, covering 7,000 square meters, is a striking and calming space. It features a large area of gently flowing water with a stylish chaise lounge placed right in the middle. This setup creates a relaxing spot where clients can sit back and enjoy the tranquil surroundings.
